## LICENSING (SCOTLAND) ACT 2005

NEW EDITION

2nd Edition

Jack Cummins

The Licensing (Scotland) Act 2005 has completely overhauled Scottish licensing law, sweeping away the Licensing (Scotland) Act 1976 and introducing a distinctly different system of complex controls.

In this second edition of his successful annotated act on the new legislation, Jack Cummins again sets out the text of the 2005 Act, incorporating amendments, together with key regulations to which constant reference will be required. This new edition has the benefit of being able to analyse the law in force with reference to the author's considerable experience in practice since the start of the transitional period.

There have been significant developments since the first edition and anybody with an interest in licensing will make constant reference to this text: solicitors in private practice, police officers, licensing board clerks, licensing standards officers and licensing managers.

This book is the perfect portable companion: while remaining comprehensive, it can be used in the office or taken along to licensing board hearings, allowing you to have the answers you need at your fingertips.

Jack Cummins' accessible writing style makes complex statutory provisions easy to understand and through its section by section commentary, sheds light on the numerous Scottish Statutory Instruments published since the first edition making this an indispensable tool for all those involved in licensing in Scotland.

### Key SSIs referenced in the text include:

- Premises Licence (Scotland) Regulations 2007 (SSI 2007/452)
- Licensing (Procedure) (Scotland) Regulations 2007 (SSI 2007/453)
- Personal Licence (Scotland) Regulations 2007 (SSI 2007/77)
- Licensing (Relevant Offences) (Scotland) Regulations 2007 (SSI 2007/513)

- Licensing (Clubs) (Scotland) Regulations 2007 (SSI 2007/76)
